

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-278-5214 or at [www.bcbstx.com](http://www.bcbstx.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. | Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| <b>What is the overall <u>deductible</u>?</b>                             | \$400 Individual / \$800 Family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| <b>Are there services covered before you meet your <u>deductible</u>?</b> | Yes. Services that charge a <u>copayment</u> , <u>diagnostic test</u> , and <u>preventive care</u> are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| <b>Are there other <u>deductibles</u> for specific services?</b>          | Yes. Per occurrence: \$200 inpatient admission. There are no other specific <u>deductibles</u> .  | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  |
| <b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>       | \$3,000 Individual / \$6,000 Family<br>For prescription drug coverage, \$2,500/individual and \$5,000/family  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| <b>What is not included in the <u>out-of-pocket limit</u>?</b>            | <u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .  |
| <b>Will you pay less if you use a <u>network provider</u>?</b>            | Not Applicable.   | This <u>plan</u> does not use a <u>provider network</u> . You receive covered services from any provider.   |
| <b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>          | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
