

## Non-Discrimination Disclosure

### Discrimination is Against the Law

We comply with applicable federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. We do not exclude people or treat them differently because of their race, color, national origin, age, disability, or sex.

Coverage for medically necessary health services are available on the same terms for all individuals, regardless of sex assigned at birth, gender identity, or recorded gender. We will not deny or limit coverage to any health service based on the fact that an individual's sex assigned at birth, gender identity, or recorded gender is different from the one to which such health service is ordinarily available. We will not deny or limit coverage for a specific health service related to gender transition if such denial or limitation results in discriminating against a transgender individual.

If you believe that we have failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance electronically online, over the phone with a customer service representative, or by mail.
